QUARANTINE STATION UNWRAPPED

Our Most Customisable Tour!

Perfect for multi-stage schools, or OOSH groups!

The Quarantine Station is an evocative place; a rich source of historical significance, geographical splendour and human endeavour. The learning possibilities are endless and are as unique as your students.

A Quarantine Station Unwrapped program can be customised to meet your particular needs or learning goals. Talk to our Tour Reservation team about your requirements; select aspects of our standard programs or activities or envision your own.

This is a great tour as an overview of Quarantine, giving students plenty of time to explore what's changed in the last 200 years, changes in technology, and seeing how people lived in the past!
