

Safety and Risk Management Procedures for Education Programs at the Q Station

Venue name	Historical Quarantine Station / Q Station		
Location	North Head Scenic Drive, Manly NSW 2095		
Phone number	02 9466 1565	Tour Reservation email	toursdesk@qstation.com.au
Web address	www.qstation.com.au		
Insurance	<i>Does the venue have public liability cover? Yes</i>		

The Quarantine Station Site is a historical site in a National Park now run as Q Station – Sydney Harbour National Park, a hotel, conference and event centre. It consists of 30 hectares with 65 original buildings. The best way to experience the wonder, mystery, and beauty of this site is by discovering it on foot! We encourage physical engagement with the site by walking it, through participation in hands-on activities and free play, including on Quarantine Beach.

Management of tours has been included in the site's emergency response procedures. Management training and competency includes:

- Q Station Training & Experience
- Emergency Evacuation Training
- Working with Children Checks
- Child Safe Training
- Q Station Duty Managers are First Aid trained

The following risk management procedures have been grouped into:

- Hazards for Visitors / Guests
- Hazards to Property and Cultural Values
- Hazards to Natural Areas
- Hazards to Health and safety

Whilst all effort will be made to provide a safe and enjoyable experience, please remember that, ultimately, teachers have duty of care for their students whilst visiting Q Station. We encourage teachers to inform the Tour Reservation team on booking of any concerns, general or specific, that they may have in regards to bringing their students so that the teachers and Q Station Education Team can work together to provide a safe and relevant learning experience for all!

Risk Management Assessment and Control Strategies for Guided Activities

Hazards for Visitors / Guests

Risk Assessment Matrix

How serious could the injury be? Severity – is how seriously a person could be harmed	How likely is it to be that serious? Likelihood – is an estimate of how probable it is for the hazard to cause harm.			
	Very Likely	Likely	Unlikely	Very Unlikely
Death or permanent injury	1	1	2	3
Long term illness or injury	1	2	3	4
Medical attention & several days off	2	3	4	5
First aid	3	4	5	6

Legend

1 and 2 Extreme risk; deal with the hazard immediately

3 and 4 Moderate risk; deal with the hazard as soon possible

5 and 6 Low risk; deal with the hazard when able.

Hazards to Health and Safety

Applicable to Education Program Visits, Q Station has registered two detailed Covid 19 Business Safety Plans - Overarching and Education programs with NSW Government. Copies of these can be provided as required. Summary points are included below.

Covid-19 Infection Control	Wellbeing of Q Station Staff and Education program participants	<ul style="list-style-type: none"> Q Station staff and education guides asked to remain home if unwell and have covid symptoms and to test when possible 	2	<ul style="list-style-type: none"> Hand sanitiser stations available and refilled often 	4	Education Guides Teachers & Supervising Adults Cleaning Staff	Before the excursion During the excursion
----------------------------	---	---	---	--	---	---	--

Please note that the information provided is current as of Jan 2025. It has been provided by North Head Sydney Trust (Q Station) to assist relevant persons in their risk management planning for visiting the Quarantine Station. Additional information can be provided upon request.

Other Requirements – Schools specific Supervision/ services	Teachers have duty of care for their students at all times whilst on-site	
	Sturdy, closed-toe walking shoes, sun screen and hats required for students taking part in activities.	
	Provision of water bottles and food for the whole visit as there may be no or limited opportunities for students to purchase food and drink.	
	The education programs consist of walking around the entire site. If anyone in your group has special needs especially in regards to mobility, please inform the Tour Reservation team at the time of booking.	
	Some areas of the site are accessible by wheelchair but others are not. There are no lifts or escalators at the Q Station and activities will require walking up some reasonably steep hills (approximately 200 meters).	
	There is no provision for wheelchair-bound guests to enter or ride securely in the Q Station transport vehicles without getting out of their wheelchair.	
	Education Guides are allocated to school programs and will be responsible for guided tours of Q Station with students. Teachers are encouraged to work with the education guides to establish a safe and productive learning experience.	
	All staff, guests and visitors to Q Station are required to comply with the registered Covid 19 Business Safety Plans	
Access	<i>Are access to and egress from the premises safe and without risk to health?</i> <i>Is the venue wheelchair accessible?</i> <i>Are disabled toilets available?</i> <i>Are Q Station vehicles wheelchair accessible?</i>	Yes Partially Yes No
Emergencies	<i>Are emergency procedures in place in the venue?</i> <i>Are staff trained to deal with emergency situations?</i> <i>Are first aid kits available for each activity?</i> <i>Is there a trained first aid officer at the venue?</i>	Yes Yes Yes & teacher(s) should bring their own Yes
Construction/ Maintenance/ Repair	<i>Are licensed personnel used for all construction, maintenance and repair work?</i>	Yes

Please note that the information provided is current as of Jan 2025. It has been provided by North Head Sydney Trust (Q Station) to assist relevant persons in their risk management planning for visiting the Quarantine Station. Additional information can be provided upon request.
